### **Creating change for AIDS orphans in the Kingdom of Swaziland**

#### **Vision Statement**

Mamies Helping Hands Incorporated aims to assist in the care of AIDS orphans in Swaziland in the following areas:

Care and nutrition provided by voluntary organization in Swaziland under the auspices of The Ekutheleni Orphanage.

Education – providing the school requisites - School fees, uniforms and materials.

Shelter - To support facilities which offer shelter and care for orphans.

Community awareness – To create awareness of the plight of Aids orphans within Australia – their social and economic status.

Information exchange – To provide accurate and reliable exchange of information between Swaziland and Australia.

Support the ongoing development of the orphanages chosen for support in their care of the children, ensuring stability and confidence in their lives.
